

REQUEST FOR PROPOSALS

DESIGN BUILD CONSTRUCTION PROJECT FOR AFRICAN GUARANTEE FUND - FOR SMALL AND MEDIUM-SIZED ENTERPRISES

AGF/PROJECTS/2022/PR001

INTRODUCTION

The African Guarantee Fund - for Small and Medium-Sized Enterprises Ltd (AGF) is a Pan-African non-bank financial institution founded by the Danish International Development Agency (DANIDA), Spanish Agency for International Development Cooperation (AECID) and the African Development Bank (AFDB). AGF has since been joined by the French Development Agency (AFD), Nordic Development Fund (NDF), Investment Fund for Developing Countries (IFU) and KfW Development Bank.

AGF's primary mandate is to assist financial institutions (FIs) in Africa to scale up their SME financing through the provision of partial loan guarantees and capacity development assistance. It seeks to bridge the financing gap between financial institutions and SMEs across the continent. AGF products and services provide FIs with the means, which they can leverage in bringing their African SME financing interventions to the required scale.

AGF operates according to market principles and is a commercially viable venture with operations in 40 countries in Africa and is gradually expanding to other countries to cover the whole of Africa.

AGF is rated 'AA-' by globally renowned Fitch Ratings Agency.

OBJECTIVES AND SCOPE OF THE SERVICES

African Guarantee Fund currently occupies Ground Floor, 3rd, 4th and 5th floors of Africa House, Lavington, Muthangari road. AGF has acquired additional space at Mezzanine floor in the same building. The current state of the space is shell and core with no partitions. Area of the space is 1,300 sq. ft of office space.

The purpose of this Request for Proposal (RFP) is to solicit proposals for a competent construction firm with the experience and competency of technical personnel to design, cost the fit out works, manage project, construct and supervise the office partitioning and furnishing of AGF offices on Mezzanine floor of Africa House.

The design should include office partitioning, ceiling works, floor finishes, reception, meeting room, enclosed office, open layout office and storage.

In addition, appropriate interior design shall be carried out to display the corporate brand and image of the client.

Specific Objectives

African Guarantee Fund intends to appoint a construction firm whose functions will be to design & build office partitioning including all associated electrical, mechanical and interior designs, project management/administration and supervision of the construction contract.

The detailed tasks to be carried out shall include and not necessarily be limited to:

1. Design the Mezzanine floor to accommodate additional offices AGF's approval. Come up with an appropriate space design in consultation with AGF management and develop the architectural drawings, electrical and mechanical drawings as required, including plumbing works and network cabling plans. The mezzanine floor: Office space 3,358Sq. Ft, and terrace- 854Sq.Ft.

Scope of Work

The architect will assist with the application for the following permits and/or licenses.

- County Government
- NEMA approvals (Summary Report)
- National Construction Authority (NCA) Registration

The project will consist of the design and fit-out construction of African Guarantee Fund office spaces.

Size – 3,358 sq. ft on the Mezzanine floor

The project will include, but not be limited to the following:

1. Partitioning of reception/waiting room, office space, breakout areas and dry kitchen.
2. Electrical work and structured cabling
3. Air conditioning & fresh air ducting (depending on space layout, windows etc.)
4. Data & WIFI from existing network
5. AV conferencing
6. Connecting client’s phones in existing network
7. Security alarm and fire alarm panel
8. CCTV and access control
9. Cabinets installation
10. Plumbing
11. Flooring
12. Furniture installations provided by AGF
